- * George is 6 years old.
- * George lives in acute poverty, in Nairobi, Kenya.
- * George is autistic.
- * George suffers from cerebral palsy. He cannot walk by himself, or feed himself.
- * George is ostracized in his environment more than he would be here.
- * Most of the mentally challenged children in Kenya are hidden away. You don't meet many.
- * George's school costs \$ 2.000 per year.
- * George's parents love him dearly, but with his father's low wages they cannot afford to pay for George's school.
- * George needs help.
- * **Do you want to help?**
